Salary Group

A horizontal stacked bar chart titled 'Salary Group' showing the distribution of salaries for three groups: High, Medium, and Low. The x-axis represents salary in millions (M), with markers at 0M and 20M. Each bar is divided into two segments: a yellow segment on the left and a dark teal segment on the right. The 'High' group has a yellow segment of 7M and a teal segment of 21M. The 'Medium' group has a yellow segment of 8M and a teal segment of 7M. The 'Low' group has a yellow segment of 10M and a very small teal segment.

Salary Group	Yellow Segment (M)	Teal Segment (M)
High	7M	21M
Medium	8M	7M
Low	10M	~0.5M

Dependent Count

Category	Yellow (M)	Teal (M)
